

GLASS TRAY

Reinforced fibreglass polyester tray

- Especially designed for school canteens, hospitals, treatment facilities, restaurants and self service restaurants with high turnover.
- Extremely tough and suitable for intensive use.
- With reinforced corners and rims.
- Wide range of shapes and sizes, for all types of uses.
- Wide, pleasant range of colours.
- **Guaranteed 5 years** against breakage.
- Easy to wash and sanitise, thanks to its smoothness.
- Totally waterproof, impervious to grease and impurities, does not retain smells.
- The materials employed do not leach any harmful substance when in contact with food, even at high temperatures, complying with (EU) Regulation no. 10/2011.
- Resistant to scratches and abrasions.
- Excellent resistance to stains.
- Impervious to most household corrosive agents.
- Perfectly flat.
- It does not warp at high and low temperatures.
- Featuring stacking lugs, for easier drying and quick, accurate stacking.
- Thanks to high quality raw materials and to innovative production technology, the Glass tray is a durable product.
